POST PANDEMIC PLANNING - ADAPTING TO THE NEW NORMAL

PRESENTED BY  KONICA MINOLTA

Konica Minolta has evolved its existing virtual events series, "We've Got You All Covered," which was developed primarily as a pandemic response and remote work enablement series, into a new program for business planning and returning to work in a post COVID-19 world. The new series, "Post Pandemic Planning - Adapting to the Next Normal," helps businesses plan for reopening and offers solutions for what the "next normal" looks like for businesses moving into the future.
