# Catering Information & Policies

## FOOD & BEVERAGE MENU SELECTION POLICY

Legends Hospitality will cater and serve menus agreed upon by the client and the Angels Red Carpet Events team. All selections must be made at least five (5) business days prior to the event. Delivery of items requested within five (5) days of a function date will be on an availability basis. All final guests counts are required five (5) business days prior to the event. If the client does not designate a final guarantee at five (5) business days prior to the event, then the established estimate per the contract will be the final guarantee and cannot be lowered. The selections will be outlined in Banquet Event Order (BEO) which is generated by Legends Hospitality. The BEO is signed by both parties and will be deemed to be part of, and are hereby incorporated into this Agreement.

## BUFFET POLICY

Legends Hospitality appreciates your understanding. Our buffet portioning is approximately 1.25 servings per person. If additional catering is required, an ancillary charge will be added. In order to ensure the highest quality food service, please understand our buffets are a (2) hour service or until food has been consumed based on portioning purchased. A rental fee will be applied for specific requests and additional furnishing.

## TAXES & FEES

A 7.75% City of Anaheim Sales Tax and a 20% administrative fee will be added on to your final Food & Beverage bill. The Administrative Fee of 20% is NOT a gratuity. Prices do not include the 7.75% City of Anaheim Sales Tax on food, beverage, or 20% administrative fees. Clients requesting an exclusion from sales tax must submit all documentation to Legends in support within five (5) days of your event.

## ANCILLARY CHARGES

Labor Fees of \$200 per Catering Attendant will apply if the Game Day Food & Beverage minimum of \$3000 (does not include bar) is not met.

Bartender Fees of \$175 per Bartender will apply to any bar function with a "cash" bar or "on consumption" bar.

## ALCOHOL POLICY

Red Carpet Events is dedicated to providing quality events that promote enjoyment and safety. This is best achieved when moderation is practiced. Legends Hospitality is the sole provider of all beverages. Any remaining quantities of special purchases of beer, wine, and liquor, not normally in our inventory, must be bought, in total, by the client at our contracted retail price and unused portions cannot be removed after the event. To maintain compliance with rules and regulations set forth by the State of California, we ask that you adhere to the following:

- Alcoholic beverages cannot be brought into or taken out of Angel Stadium.
- It is the responsibility of the event host, or their representative/main contact, to monitor and control alcohol consumption within their event.
- Minors (under the age of 21), by law, are not permitted to consume alcoholic beverages.
- Legends reserves the right to ask for proper identification at any time.
- It is unlawful to serve alcoholic beverages to an obviously intoxicated guest(s).
- Legends reserves the right of not serving any guest intoxicated to a condition of incoherence.
- Guests are not permitted to take cans, bottles or glasses outside the event area.

## EXTERNAL FOOD & BEVERAGE

Thank you in advance for understanding that Legends Hospitality is the sole Food & Beverage provider and any outside food or beverage brought into Angel Stadium is not permissible. Any food or beverage brought into the stadium without proper authorization will be assessed a fee at our normal retail pricing for use or not allowed on the premises.
