

# PARENTS' CORNER

Welcome to Parents' Corner of the Atlanta Braves Kids Club newsletter! Whether you're a seasoned Truist Park visitor or a first-timer, we know that attending a game with your children can be overwhelming at times. To help make your experience as enjoyable and stress-free as possible, we've compiled some useful tips and information below:

## Hope and Will's Sandlot

**Sponsored by Children's Healthcare of Atlanta.** Located on the concourse level of the stadium, Hope & Will's Sandlot is the Braves' kid zone. All games in the Sandlot on Sundays are free!

## BLOOPER'S Clubhouse

NEW this year and located in Hope and Will's Sandlot, you can visit where BLOOPER lives and see him before home games.

## Kid's Club Kiosks

You can find the Kids Club Kiosk at the entrance of Hope and Will's Sandlot. Redeem your giveaway voucher here to receive your free item of the homestand.

## Stroller Parking

Strollers, diaper bags, and nursing bags are allowed into Truist Park. For convenience, fans can check their strollers at any of our Guest Services stations (Section 111)

## Kids' Concessions & Merchandise

**Section 155 in Hope & Will's Sandlot.** Offers kid-friendly and healthy concession options, as well as being a peanut-free concession stand for fans with tree and nut allergies. Children-specific merchandise can be found at the Braves Clubhouse Store for Kids (Section 152 in Hope & Will's Sandlot).

## Mamava Nursing Pods

Truist Park offers a lounge that is a fully dedicated space for nursing mothers, staffed by a Guest Services ambassador. The air-conditioned nursing lounge is equipped with comfortable rocking chairs and a diaper changing station.

## Autism Quiet Space & Quiet Lounges

All our first aid locations, our elevator lobbies at Sections 120 and 137, Guest Services booths at Sections 218 and 233, and the "kid's area" of the nursing lounge (Section 141) will accommodate as quiet spaces. We also suggest Monument Garden after first pitch as an alternative due to the water feature.

**We hope that these tips and information will be helpful for you and your family during your visit to Truist Park. Enjoy the game!**
