

Cardinals Academic Program

The Cardinals Academic Program integrates the game of baseball with school curriculum while providing hands-on activities in various locations at Busch Stadium.

Students in grades 3-8 will participate in three units, selected by the teacher (see inside for unit descriptions). Units are designed for Grades 3-4, 5-6 and 7-8.

Each unit was designed and written by Missouri and Illinois educators. With an emphasis on Common Core and State Standards, students apply their knowledge to real-world situations.

*Specific standards for each unit are available upon request.

Look What Teachers Are Saying About CAP!

“The kids and I had an amazing time! Smiles all around! I didn’t think we would experience so much!”

- 3rd grade teacher

“The students’ excitement is the best part— which is a direct reflection of the program.”

- 5th grade teacher

“Super organized! We make this an annual trip, mostly because of the passion of the employees and the academic aspect.”

- 6th grade teacher

“The best part of the CAP experience is that you show students the skills they use in the classroom are needed in their future, even in professional sports.”

- 7th grade teacher
