–E.M. Swift

GEOGRAPHY

The Chicago Cubs have played in the same city since the National League started in 1876. How much do you know about the home city of your favorite team?

CHICAGO, ILLINOIS:

Although Springfield is the state capital, there are more than 2.7 million people living in Chicago, making it the largest city in Illinois and the third-largest city in the United States. Nicknamed the Windy City, Chicago has eight men's and women's professional sports teams, elevated trains and a downtown filled with skyscrapers. And who could forget deep-dish pizza and Chicago-style hot dogs ... yum!

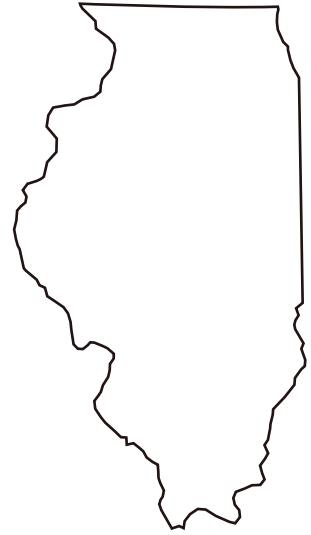

Hard-hitting Fact: Chicago's O'Hare International Airport is one of the busiest airports in the world with around 2,400 flights each day!

Did You Know: The world's first skyscraper was built in Chicago in 1885!
