Below are the dimensions for your lantern pieces. To start, you will need:

- (2) 4x4” squares
- (1) 13x1” rectangle
- (1) 12x7” rectangle

1 rectangle: 13x1”
make a dotted line every 3 3/4”

2 squares: 4x4”

1 rectangle: 12x7”
make a dotted line every 3”

For window cutouts:
measure 1” from the bottom
measure 1/2” from the top
measure 1/2” on each side of the dotted line
windows should measure 5 1/2 x 2”
