HOW TO ORDER

1. ONLINE SUITECATERING.COM/SELECT-VENUE

After Diamond 58 receives a completed [payment agreement form](#), you will receive a username and password to begin ordering online.

Orders placed online will be confirmed via email.

2. EMAIL info@diamond58.com

Please email the [order form](#) to the Diamond 58 Sales Team. Your order will be confirmed via email.

ORDER DEADLINES

All orders must be received two business days prior to the event.

CAKES

Cakes are available upon request and must be ordered at least two business days prior to the event. Please reach out to our Diamond 58 Sales Team at info@diamond58.com to request a cake. Guest that would like to bring in their own cakes will be charged a \$20 cake cutting fee (fee to be added to the overall order). All outside cakes must be delivered to an SF Giants representative and will be given to Diamond 58 to hold until the guest requests the cake from their suite attendant.

TAXES

Food, non-alcoholic beverages and administrative charge are subject to an 8.625% (percent) sales tax.

ADMINISTRATIVE CHARGE

A 5% (percent) administrative charge is added to each food and beverage order. This administrative charge is not intended to be a tip, gratuity or service charge for the benefit of employees and is not distributed to employees.

GRATUITIES

A 15% Service Charge is added to each order that is split amongst the suites staff. Any suite attendant gratuities for exceptional service occur at the sole discretion of the suite holder. If any such optional gratuities are given, only your suite attendant will receive this amount. There are several options available such as setting up a standing gratuity for each game of the season, signing the bill at the end of the event or leaving a gratuity in advance when finalizing your order.

PAYMENT

Diamond 58 requires payment in full prior to the rendering of all services; suite orders will be settled at the conclusion of each event. Please note that before rendering any services, for security purposes, we require a valid credit card authorization from you. Two days prior to the event, the card on file will be pre-authorized for \$125. The bill will be presented to the suite host prior to the end of the event. In order to order online, Diamond 58 must receive a valid form of payment prior to receiving login information.

01

CREDIT CARD ON FILE

You may authorize us to retain valid credit card information on file for us to use to settle all charges (including the par bar stocking program) due to Diamond 58 at the conclusion of a game/event. At the end of the event, an appropriate signature is required on the catering invoices, eliminating the need to present a credit card.

02

PREPAY

You may prepay for all charges incurred for the advanced orders by providing ACH, check or credit card for the initial order amount. You will still have to provide a signed payment agreement form with a valid credit card prior to rendering service. Appropriate signature is required on food service invoices prepared when services are complete.

03

ESCROW

You may prepay for numerous orders with a payment of \$10,000 or more. Charges incurred will be applied to the prepayment and you will be informed when the extended prepayment amount is near depletion. Appropriate signature is required on food service invoices prepared when services are complete.

PAR BAR

It is our recommendation that each suite establish a standard (par) beverage inventory level. Our staff will inventory these items at the conclusion of each event and replenish for the next event as necessary. Place an initial order of what you would like to offer throughout the season and we will keep your suite stocked with the selected items.

CANCELLATIONS

No charges will be assessed to suite holders for food or beverage orders that are cancelled 48 hours in advance. Cancellations must be in writing and must be confirmed by Diamond 58 to be valid. All other cancellations will be assessed a charge of up to one hundred percent (100%) of the total order value, including fees and taxes. In the event of an event cancellation, you will not be charged unless the gates were opened before the event was cancelled.
