## FATHER'S DAY BANNER

### Supplies:

Cardstock Paper  
Scissors  
Hole punch

Bakers twine or string  
Tape  
This Father's Day printable banner!

### Step by Step Instructions:

1. Download the printable Father's Day Banner
2. Print it out on white cardstock.
3. Using scissors, cut out the individual squares
4. Using a hole punch, punch holes at the top left and right corner of each square.  
*If you don't want to use a hole punch, simply tape some bakers twine to the back of each flag.*
5. Thread bakers twine or string through the holes to assemble the printable Father's Day banner.
6. Now Dad can enjoy his banner! Nothing better for Dad to wake up to on Father's Day morning than a Padres-themed Father's Day banner from you!
