2024 NEW PADRES MEMBERSHIP POSTSEASON ACCESS

As a Padres Member you will receive access to the 2024 Postseason, should the Padres advance. Your postseason access is dependent on your Membership Package:

2024 NEW MEMBER POSTSEASON ACCESS*

PLATINUM MEMBERS

RECEIVE FULL STRIP ACCESS

GOLD MEMBERS

RECEIVE FULL STRIP ACCESS

BLUE MEMBERS

RECEIVE PRESALE ACCESS FOR SINGLE GAME TICKETS

*Access is subject to change based on inventory.

WHAT IS A POSTSEASON STRIP?

A Postseason strip is access to each game of the Postseason series. For example, if the Padres have home-field advantage for the World Series, up to four (4) games could be played at Petco Park. If you have a strip, you will get tickets to all four (4) games.

Members have the option to opt-out of Postseason strips. If a Member opts out they will still have access to Postseason single game presales.

POSTSEASON STRIP SEAT LOCATIONS

Members will receive the same number of seats as their Membership package. Postseason seat locations will be different from your Padres Membership seat location. Seat locations are allocated based on tenure, package, and section.

PAYMENT OPTIONS

Pay as you Play - for Renewing Members

You will be charged series-by-series, prior to the beginning of each series. If less games are played, the balance will be rolled over to the next round or applied to your Padres Membership for the following season.

Pay in Full

You will be charged up front for the maximum number of potential games for all rounds (Wild Card/Division Series, Championship Series, and World Series). Any games not played will be applied to your Padres Membership for the following season.

PRESALE ACCESS

As a Padres Member you have access to presales. Presales will take place in advance of each series.

GENERAL TIMELINES

Renewals: Mid-August

Postseason Invoices: August-September

Tickets Live in Account: Early October

Presales

Wild Card/Division Series: End of September

Championship Series: Prior to series in October

World Series: Prior to series in October
