Transferring Tickets in Ballpark App

6. Once you've transferred a ticket, you'll see the transferred icon in the ticket list. You can open the scan view and will see that your ticket is in a pending state hiding behind the barcode. You can cancel the ticket transfer from this screen if you change your mind by tapping the cancel transfer button. If you cancel a ticket transfer, the recipient will receive and email notification that it has been cancelled. An accepted transfer cannot be cancelled, the recipient will need to transfer it back.
