## Guidelines for Dog Owners

Thanks for being part of the Phillies Bark at the Park event! To participate, you must agree to comply with these guidelines. **Please carefully read the guidelines for the event below:**

1. All fans attending the Bark in the Park event must sign a waiver at the registration table located outside the First Base Gate. You will be fully responsible for your dog and any injuries or property damage.
2. To participate, a dog must be at least six months old, in good health and fully house trained.
3. All Dogs **MUST** remain on a leash no longer than 6 feet at all times. No retractable leashes please. If you do have a retractable leash, please keep it locked in a short position – no longer than 6 feet.
4. Limit one dog per adult guest.
5. All dogs must have a ticket to gain admission to Citizens Bank Park, which must be presented at the registration table outside the First Base Gate on the night of the game. We reserve the right to refuse entry to any dog.
6. Dogs should be taken to the designated area to relieve themselves. Bags and trash cans will be available there to pick up any mess. Please be courteous and responsible – please pick up after your dog.
7. You must enter the ballpark through the First Base Gate. Dogs are permitted in the designated seating area (Sections 306-310) and at the “Break” area behind Sections 210/211 only.
8. When leaving the event, you are also required to exit the ballpark with your dog via the First Base Gate.
9. Your dog must be up to date on Rabies, Distemper, Parvo, Bordetella and Lepto vaccinations to attend the game. Proof of vaccination must be presented at the registration table located outside the First Base Gate on the night of the game. All dogs must be up to date on ALL the following vaccinations - **NO EXCEPTIONS:**
  - o Rabies - given annually, but sometimes can be a 3 year.
  - o Distemper – given annually, sometimes referred to as the Combo Vaccination, must include Parvo. It will be listed as DHPP or DHLPP in your medical records.
  - o Bordetella - given either every six months or annually. Sometimes referred to as: Kennel Cough OR Tracheobronchitis.
  - o Leptospirosis – if not included in Distemper combo must be listed as administered separately
10. This event is intended for FRIENDLY dogs. Use good judgment regarding the temperament of your dog. Do not bring your dog if he/she is unreliable in crowds, with other dogs and/or with strangers. If your dog is not friendly or is having a bad day, please take your dog home. We want the event to be enjoyable for everyone and reserve the right to ask aggressive or unfriendly dogs to leave.
11. Do not bring a dog to the event that has bitten and/or is aggressive, excessively vocal, or fearful.
12. Please do not bring a dog that is ill, behaving abnormally or in heat. Please remove your dog from the premises if he/she becomes ill.
13. There will be bowls of water available for your dogs.
