

Dear Richie,

This letter is in support of the Tampa Bay Rays' New Stadium & Gas Plant District Redevelopment. Not only am I born and raised in St. Petersburg, I represent an organization of over 300 employees and serves over 1,000 individuals with developmental disabilities in our city. My support for this project is due to the years of planning and consideration for the best solution and outcome for our city. The impact the Tampa Bay Rays have on the population we serve is great. They contribute to our mission which provides opportunities for children and adults with disabilities experience life to the fullest.

Sincerely,

Michelle Detweiler
