HOW TO DOWNLOAD THE MLB BALLPARK APP
DOWNLOAD AND LOGIN

1   To download the MLB Ballpark app, visit the iOS App Store or Google Play Store

2   Login with your MLB.com username and password

3   If you do not have an MLB.com account, you can create a new one. You will be asked to provide your first name, last name, email address, and to create a password. Make sure to use the same email address used to purchase your Red Sox tickets.

4   Once you have logged in for the first time, navigate to your MLB Account Emails by tapping the profile button on the top left of the Home tab.

5   You will see a red message indicating your account is not yet verified for ticket access.

6   Tap 'Resend' to have an email sent to the address associated with your ticket account. From that email, click **'Verify Email'** to complete your account setup.

7   A check mark will now appear in your MLB Account Emails, confirming it is now verified and you are ready to go.

The MLB Ballpark app is the offical app of the MLB that can be downloaded from the Apple App Store and Google Play
