Rockies Notes

The Colorado Rockies game vs. the Reds tonight was played at a game-time temperature of 97 degrees, the hottest game-time temperature since June 25, 2012 vs. Washington (100 degrees) ... recorded their 50th win in their 87th game of the season, the fewest amount of games to reach 50 wins in franchise history (previous: 91st game, 2010 & 1995).

Jon Gray pitched 5.2 innings, allowing three runs (two earned) on eight hits with one walk and five strikeouts ... has won each of his starts since being activated from the disabled list ... eight hits allowed was a season high ... hit the first home run of his career, a two-run home run with two outs in the second inning ... at 467', it was the longest home run by a pitcher in the Statcast era and the longest home run by a Rockies player this season ... he became the second Rockies pitcher to hit a home run this season (also: Kyle Freeland, May 21 at Cincinnati) ... Rockies pitchers are now batting .165 (27-for-164) on the season, the highest team batting average by pitchers in the National League.

Pat Valaika recorded a career-high three hits, including his sixth home run of the season, a two-run home run in the fourth inning ... tonight was his first start at Coors Field since May 14 vs. Los Angeles-NL when he went 2-for-4 with two home runs and a career-high four RBI.
