

Preschool: Read and answer questions

1. Each team picks nine players to start each game. Count from one to nine.

2. Umpires are the people who make sure everyone follows the rules. How many umpires do you see?

3. A batter gets three strikes before they are out. What number of strikes can you count before you get to three?

4. Compare the number of Rockies players on the field to the number of Giants players. Are there more Rockies, fewer Rockies, or the same number of Rockies players as Giants players?

of Rockies Players: _____

of Giants Players: _____

5. How many runs do the Rockies have? If they score two more runs, how many will they have?

$$\underline{\hspace{2cm}} + 2 = \underline{\hspace{2cm}}$$

6. Compare the size of the infield to the size of the outfield. Does the outfield look bigger or smaller?

7. Do you see any squares on the field? How about circles? How about triangles? Where? What other shapes can you name?

8. Does the home plate umpire stand in front of or behind the catcher? Describe the positions of some other people using words like up, down, front, and behind.
