

2024 MLB SELLING GUIDE

**SEAT
GEEK**

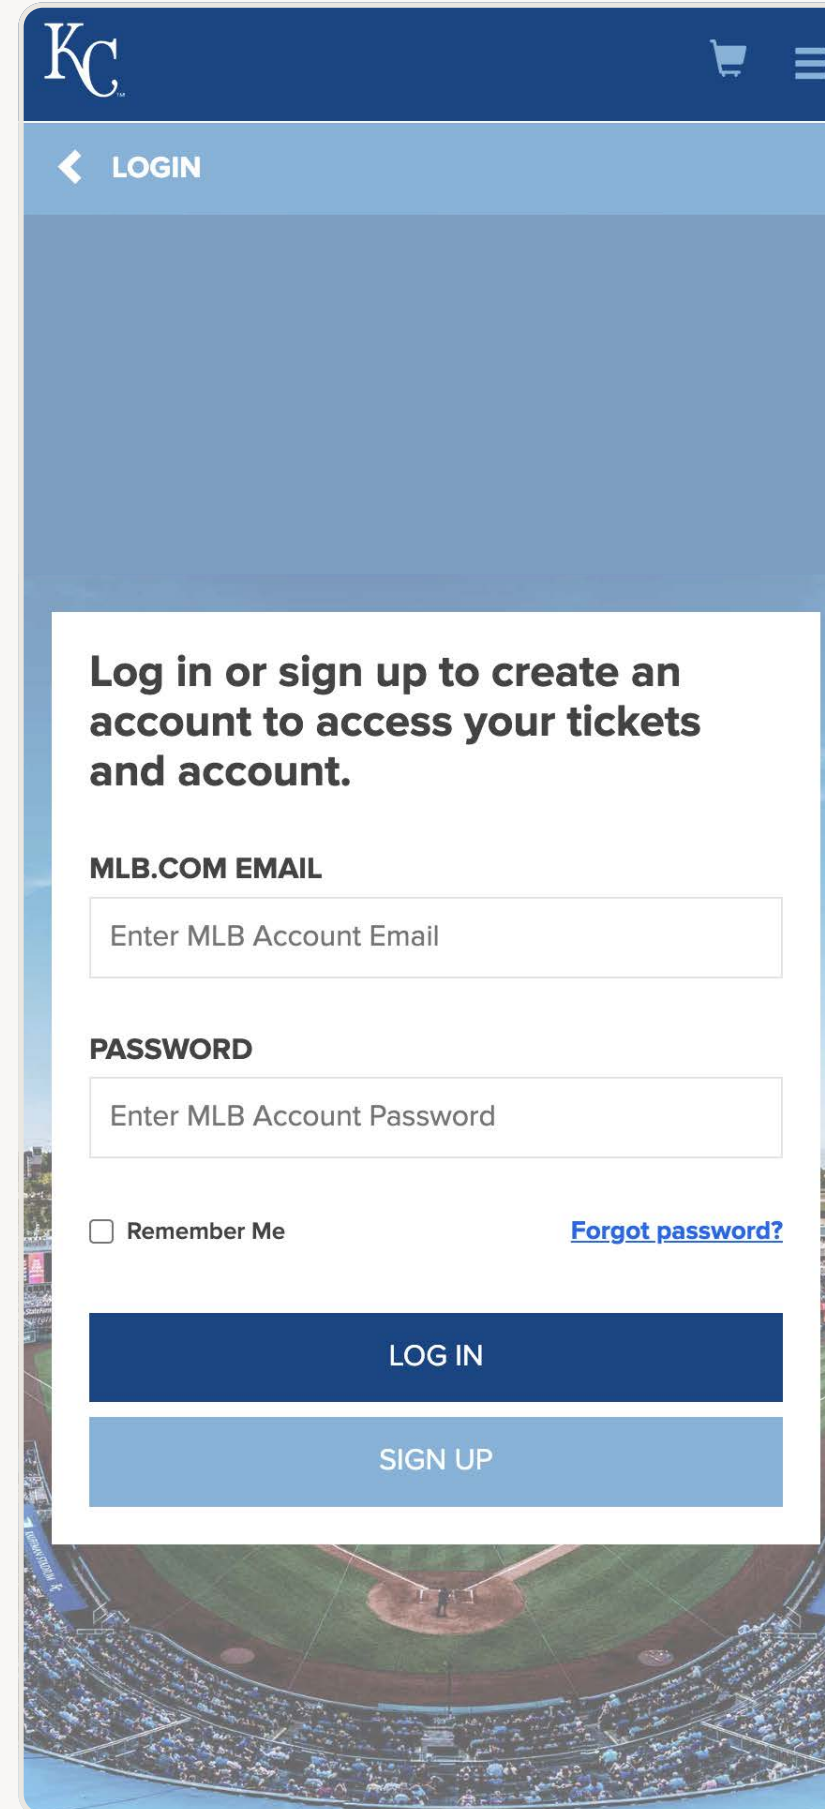

OFFICIAL TICKET MARKETPLACE
OF MAJOR LEAGUE BASEBALL

Getting started

There are **three** ways to get started listing your MLB tickets on SeatGeek:

- 1** Your team account
- 2** MLB Ballpark app
- 3** SeatGeek.com **or** the SeatGeek mobile app

Team Account

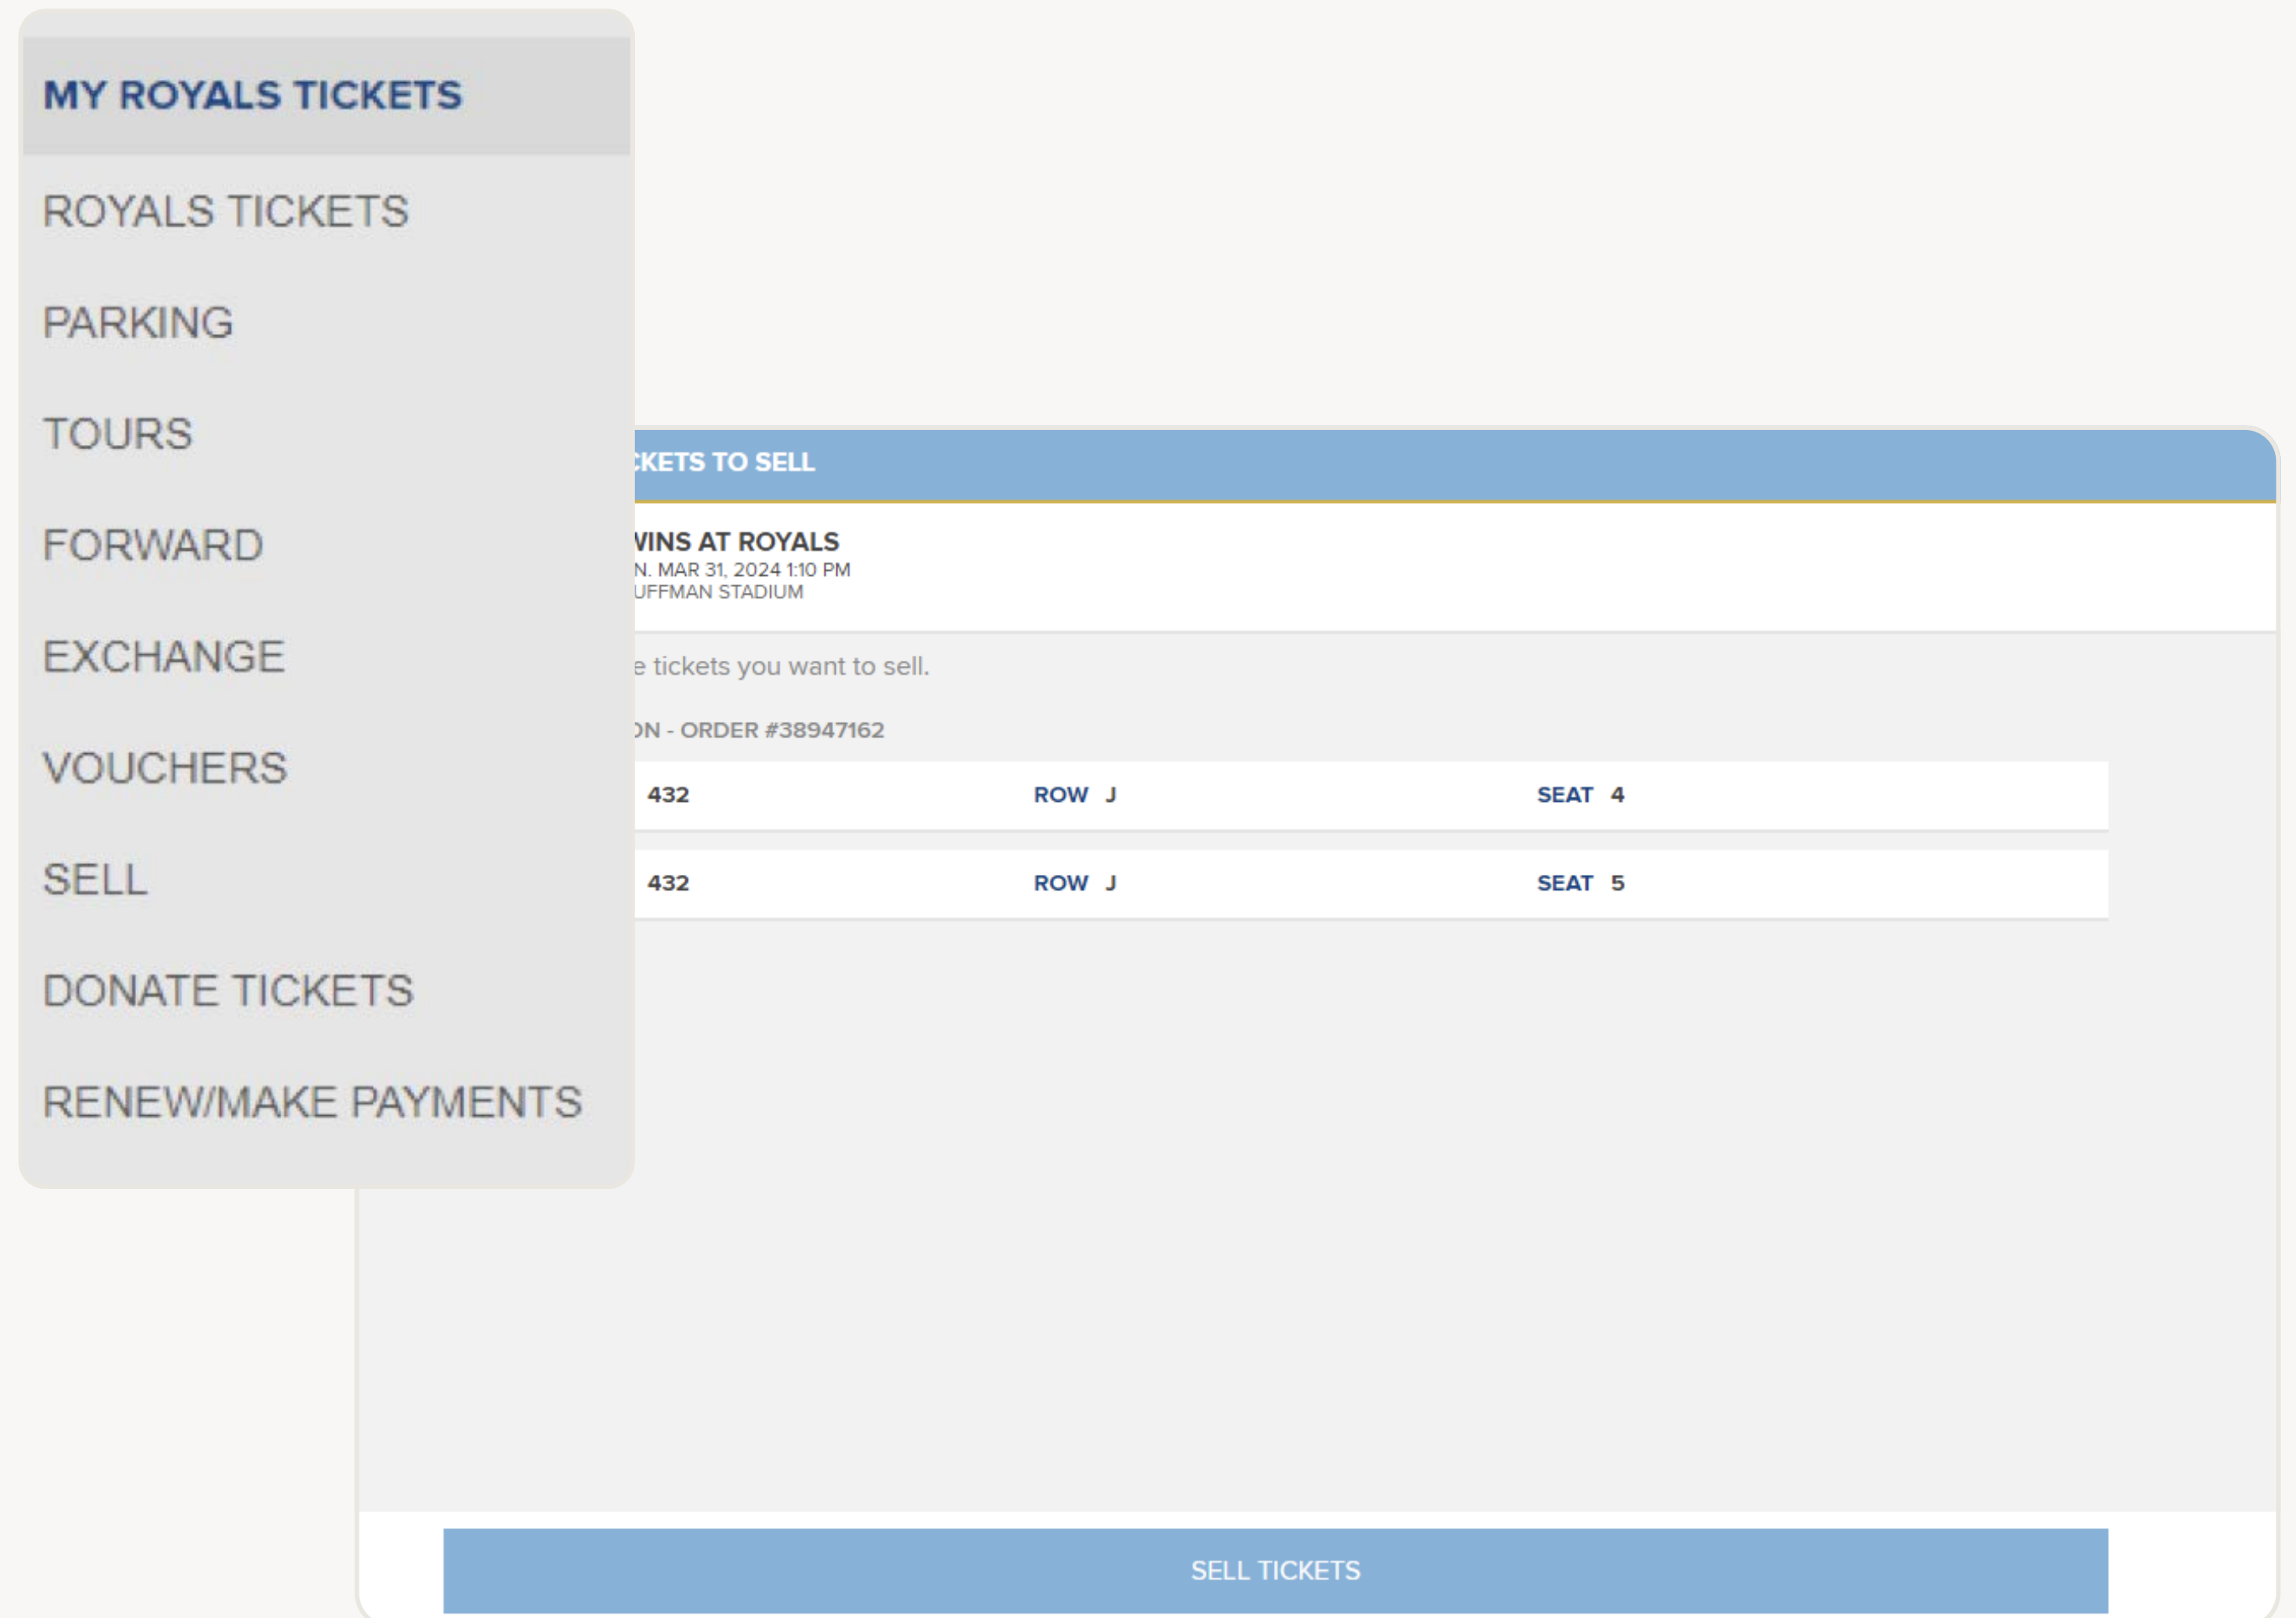

MLB Ballpark App

SeatGeek

Getting started from your team account

- Log in to your team account and click **Sell** along the left side of the home page.
- Click on an individual game to view your ticket inventory.
- Select the box next to the ticket(s) you wish to list.
- When you are ready, click **Sell tickets** and you'll be directed to SeatGeek.

Getting started from the MLB Ballpark app

- Log in to your account on the MLB Ballpark app.
- Tap the event and select the tickets you wish to sell
- Click **Sell**
- You'll automatically be taken to SeatGeek where your tickets will be ready to sell.

To get started, log in below with the email address and password for your MLB.com account, then click the "Log In" button. If you're new to MLB.com, then click "Sign Up" below to create an MLB.com account.

Stuff you should know

All tickets listed on SeatGeek are fully verified and delivered seamlessly in the SeatGeek and MLB Ballpark apps.

You will receive your payout after the event ends, but it will take up to 5 business days for the money to appear in your bank account.

If you have additional questions, check out [Frequently Asked Questions](#) or reach out to your Season Ticket Holder representative.
