

THIS WEEK IN TIGERS HISTORY

On August 11, 1968, Gates Brown had two walk-off hits in Detroit's doubleheader sweep of the Boston Red Sox. Brown hit a walk-off homer off Lee Stange in the 14th inning of the first game of the doubleheader. In the 9th inning of the second game, Brown hit a single off Sparky Lyle, scoring Mickey Stanley, giving the Tigers a 5-4 victory.

TIGER FUN FACT?

Tigers are known to be solitary animals. Unlike the sights of multiple tigers kept in one cage in the zoos, you are less likely to spot the same age group of tigers roaming together in the wild. Tigers like to stay alone, they are often observed taking a leisure walk all by themselves or perhaps building his strategies for his next meal.
