Dear Principal/School Official,

Thank you for registering for the White Sox Good Grades Program – an initiative that has recognized the accomplishments of Chicagoland students both in and out of the classroom for more than 30 years.

Included in this package are your requested ticket vouchers, a sample of the “Certificate of Achievement,” and the “How to Redeem Your Tickets” instruction guide. We strongly recommend providing these to each student when they receive their vouchers to help their parents redeem the tickets.

You will receive a PDF version of both of these documents via e-mail so that you can easily print off as many as you need.

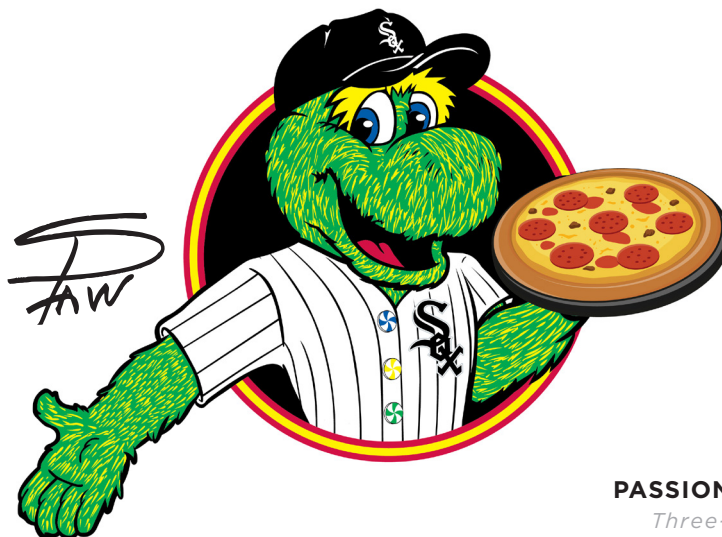

Each voucher is valid for two (2) complimentary tickets, and we suggest you provide selected students with one voucher each. Details for available game dates and instructions to redeem vouchers online are included on the vouchers we’ve shared with you. These are intended for use by school-aged children (17 years and younger) and their accompanying parent(s) or guardian(s).

We are also bringing back our Pizza Party with Southpaw! The school with the highest Good Grades voucher redemption rate will win a classroom pizza party with Southpaw!*

Whether your school requested 50 Good Grades vouchers or 500, the school that has the highest ticket redemption rate at the end of the 2024 White Sox season will win a pizza party for a classroom of its choice!

Rewarding students with the opportunity to see the Chicago White Sox is a home run for all! We sincerely appreciate you sharing this opportunity with your students and their families. You’re welcome to pass this information on to other schools or educational administrators that would find the program useful as a motivational tool.

For additional information, please contact the White Sox at goodgrades@chisox.com.
